Mayor's Welcome

The City of Rockingham is known as the place where the coast comes to life. With 37 kilometres of pristine coastline, it's easy to see why our City continues to inspire visitors and residents alike as both a vibrant holiday destination and a welcoming place to call home.

Each year, we host a range of events and experiences that bring our community together and attract visitors from across the region, including:

- Castaways Sculpture Awards – our signature celebration of arts, culture, and creativity along our stunning foreshore.
- Rockingham Beach Cup – Australia's most unique racing experience, where a day at the races and a day at the beach come together.
- Christmas, New Year's Eve and Australia Day celebrations at the Rockingham Foreshore.
- Symphony on the Green – a spectacular late summer evening of live orchestral music under the stars.

Tourism and economic development remain key priorities in the City's Strategic Community Plan, and we are always excited to support new events that bring energy, diversity, and fresh experiences to Rockingham. While you're here, take the opportunity to enjoy everything our region has to offer – from up-close encounters with local marine wildlife to wakeboarding at Western Australia's only cable wake park.

If you prefer to explore at a slower pace, the walking trails and coastal landscapes of Cape Peron offer some of the region's most unforgettable views. The wineries and breweries of Karnup and Baldivis also provide the perfect opportunity to unwind after a busy event schedule. Your event has the potential to become a memorable part of Rockingham's vibrant annual calendar, and we look forward to working with you to bring it to life right here in our City.

With so many memories waiting to be made, we warmly welcome you to experience everything Rockingham has to offer.

City of Rockingham Sponsorship Opportunities

The City of Rockingham is committed to building on its annual events calendar by supporting events within the region. There are two funding streams available to assist with the delivery of programs, projects, initiatives and events that benefit the Rockingham community and attract increased visitation.

Iconic Event Sponsorship

The Iconic Event Sponsorship is a key action included in the City's Economic Development Strategy 2025 - 2030, aimed to support community and/or commercial organisations to deliver an iconic event.

An iconic event is one that generates significant economic benefits and destination awareness to the Rockingham region, and can be either an annual recurring or one-off feature event.

The objectives of the Iconic Event Sponsorship are:

- increased out-of-region visitation (intrastate, interstate and international)
- economic impact
- providing opportunities for local businesses to leverage the event (including a minimum of 50% of the City's funding to be spent locally)
- maximise destination marketing outcomes and generate awareness of Rockingham as a key tourist destination.

Find out more information by referring to the **Iconic Event Sponsorship Guidelines**.

Major Event Sponsorship

The Major Event Sponsorship is available to incorporated not for profit organisations and/or associations wishing to apply for cash funding to assist with the delivery of a major event that has a direct social and/or economic benefit to the community.

Applicants can apply for up to \$20,000 per annum, and funding can be sought for up to three years.

Find out more information by referring to the **Major Event Sponsorship Guidelines**.

The City of Rockingham's Tourism Development Officer is available to assist with conference bids and the marketing of business events to increase awareness and help drive attendance.
