

The City of Rockingham's Blender Bike is a stationary bike that has a blender attachment which is powered by the pedal-power of users. The Blender Bike can be used to produce fresh and nutritious drinks by placing ingredients such as fruits, juice, vegetables, yoghurt and ice into the blender jar, then pedal to power the blender and mix the ingredients. The blender bike is a great way to engage people at events and promote healthy lifestyles.

The blender bike is available to community organisations, groups, schools, sporting clubs and businesses. Preference is given to community organisations and schools and/or users located within the City of Rockingham.

The blender bike is stored at Baldivis Indoor Sports Complex at 531 Eighty Road in Baldivis. Users are required to collect and return the bike at the booked times.
